1. **COMMUNICATIONS:** All communications, any modifications, clarifications, amendments, questions, responses or any other matters related to the Request for Proposal (RFP) must be made only through the Procurement Contact noted on the cover of this RFP, or their designee. A violation of this provision is cause for the Corporation to reject a company's bid. No contact regarding this document with other Corporation employees is permitted, and may be grounds for disqualification.
2. **PRE-BID INFORMATION AND QUESTIONS:** Each bid that is timely received will be evaluated on its merit and for completeness of all requested information. In preparing bids, Bidders are advised to rely only upon the contents of this RFP and accompanying documents and any written clarifications or addenda issued by the Corporation. If a Bidder finds a discrepancy, error, or omission in the RFP package, or requires any written addendum thereto, the Bidder is requested to notify the Procurement Contact noted on the cover of this RFP, so that written clarification may be sent to all prospective Bidders. All questions must be submitted in writing to the Procurement Contact before the Pre-Bid Question Deadline indicated on the front of this document. All answers will be issued in the form of a written addendum.
3. **PRE-BID MEETING:** A virtual bidders' conference is **optional** for consideration. Please **e-mail robin.wied@visitsandiego.com** to confirm attendance and obtain meeting information.
4. **RFP MODIFICATIONS:** Clarifications, modifications, or amendments may be made to the RFP at any time prior to the Bid Deadline at the discretion of the Corporation. It is the Bidder's responsibility to periodically check the Corporation's website at **<https://visitsandiego.com/work-with-us/vendors/current-opportunities>** until the posted Bid Deadline to obtain any issued addenda.
5. **BID SUBMISSION:** Submit offer on the Bid Form provided. Bidders are required to complete the entire Bid Form and supplements (if applicable).
 - a. Bids must be submitted to the Procurement Department, San Diego Convention Center Corporation, by **e-mail** to **robin.wied@visitsandiego.com**, before the date and time indicated as the deadline. It is each Bidder's sole responsibility to ensure the Procurement Department receives the bid prior to the Bid Deadline.
 - b. Submission of a bid establishes a conclusive presumption that the Bidder is thoroughly familiar with the Request for Proposal (RFP) and that the Bidder understands and agrees to abide by each and all of the stipulations and requirements contained therein.
 - c. All costs incurred in the preparation and presentation of the bid is the Bidder's sole responsibility; no pre-bid costs will be reimbursed to any Bidder. All documentation submitted with the bid will become the property of the Corporation.
 - d. Bids must be held firm for a minimum of 60 days.
6. **EXCEPTIONS:** Bidder shall clearly identify any proposed deviations from the Scope of Work in the Request for Proposal. Each exception must be clearly defined and referenced to the proper paragraph in this RFP. The exception shall include, at a minimum, the Bidder's proposed substitute language and opinion as to why the suggested substitution will provide equivalent or better service and performance. If no exceptions are noted in the Bidder's bid, the Corporation will assume complete conformance with this specification and the successful Bidder will be required to perform accordingly. Bids not meeting all requirements may be rejected.
7. **DUPLICATE BIDS:** No more than one (1) bid from any Bidder, including its subsidiaries, affiliated companies, and franchises will be considered by the Corporation. In the event multiple bids are submitted in violation of this provision, the Corporation will have the right to determine which bid will

be considered, or at its sole option, reject all such multiple bids.

- 8. REJECTION:** The Corporation reserves the right to reject any or all bids, or to accept or reject any bid in part, and to waive any minor informality or irregularity in bids received if it is determined by the Director of Procurement and Contracts that the best interest of the Corporation will be served by doing so. A Bidder's failure to provide any additional information requested by the Corporation prior to a contractor selection may result in rejection of the bid. The Corporation may reject any bid from any person, firm, or corporation in arrears or in default to the Corporation on any contract, debt, or other obligation, or if the Bidder is debarred by the Corporation from consideration for a contract award.
- 9.** The Corporation reserves the right to reject all nonconforming, nonresponsive, unbalanced, or conditional Bids. Discrepancies in the multiplication of unit prices and unit prices themselves will be resolved in favor of unit price. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum.
- 10. PROCUREMENT POLICY:** Procurement for the Corporation will be handled in a manner providing fair opportunity to all businesses. This will be accomplished without abrogation or sacrifice of quality and as determined to be in the best interest of the Corporation.
- 11. The Bidder must comply with all federal, state, and local laws and policies that prohibit discrimination in employment contracts. The Bidder must include in its subcontracts provisions that prohibit subcontractors from discriminating in their employment practices.

 - a. Evidence of collusion among Bidders;
 - b. Lack of competency as revealed by either financial, experience, or safety statements;
 - c. Lack of responsibility as shown by past work;
 - d. Uncompleted work under other contracts which in the judgment of the Corporation, might hinder or prevent the prompt completion of additional work if needed.
- 15. DISCUSSIONS:** Discussions may be conducted with responsible Bidders, in order to clarify and assure full understanding of, and conformance to, the solicitation requirements. Discussions may be conducted with Bidders who submit bids determined to be reasonably susceptible of being elected for award, but

bids may be accepted without such discussions.

16. Bidders shall be accorded fair and equal treatment with respect to any opportunity for discussions and revisions of bids. Such revisions may be permitted after submission and prior to award for the purpose of obtaining best and final offers. 19. The Bidder, by submitting its Bid to the Corporation, agrees that if selected, it and its subcontractors at every tier will comply with the requirements of Public Contract Code Section 2602(a) and that the Bidder will provide the Corporation with evidence, on a monthly basis while the project or contract is being performed, that the Bidder and its subcontractors are complying with the requirements of Public Contract Code Section 2602(a).

The successful Bidder is responsible for all payments and liabilities of all subcontractor(s). Corporation reserves the right to approve or reject any proposed subcontractor. If the Corporation rejects any proposed subcontractor, the successful Bidder shall be responsible to assume the proposed subcontractor's responsibilities. The successful Bidder may propose another subcontractor if it does not jeopardize the effectiveness or efficiency of the contract.
21. Nothing contained in the RFP or in the contract shall create or be construed as creating any contractual relationship between subcontractor and the Corporation. The Contract will not be assignable to any other business entity without the Corporation's approval.
